Summary of Data information, Indonesia													
Raw Data				**Tape**	**Content Description**		**SPSS Program***	**Documentation**					
1971 census population data				CH028C				a					
					1. Census block record has		indo71block.sps						
					12 variables, 2,333 cases								
					2. Household record has		indo71hse.sps	a					
					24 variables, 125,277 cases								
					3. Person record has		indo71per.sps	a					
					33 variables; 634,648 cases								
1980 census population data				CH046C	*1. Census block record has*		indo80block.sps	b					
(there are 8 files for 1980)				CH047C	*5 variables, 22,216 cases*								
				CH048C									
				CH049C	*2. Household record has*		indo80hse.sps	b					
				CH057C	*34 variables, 1,502,064 cases*								
				CH058C									
				CH059C	*3. Person record has*		indo80per.sps	b					
					75 variables, 7,234,561 cases								
1985 SUPAS				CH054C	*1. Household record I has*		indo85hse1.sps	c					
					7 variables, 126,966 cases								
					Record type=02.								
					2. Household II record has		indo85hse2.sps						
					23 variables, 126,966 cases								
					Record type=05.								
					3. Person record has		indo85per.sps						
					46 variables, 605,858 cases								
					Record type=07.								
					4. Ever-Married women's record h		indo85married.sps						
					58 variables, 145,644 cases								
					Record type=09.								
					5. Health record has		indo85health.sps						
					42 variables, 22420 cases								
					Record type=12.								
1990 census population data				seafert\indonesia\data\census90\indo90.dat		indo90per.sps	g						

1990 census housing data			seafert\indonesia\data\census90\indo90.dat		indo90hse.sps		g					
Standard Data (matching women with husbands and children).												
1971			CH028C	Lrecl=200			d					
			seafert\indonesia\data\census71\indo71.dat									
			150,578 cases									
1980			CH034C	Lrecl=200			d					
			CH037C									
			CH033C									
			?? Cases									
1985			(\seafert\indonesia\data\census85\census85std.dat)				h					
			(\seafert\indonesia\data\census85\census85.por)				l					
1990			(\seafert\indonesia\data\census90\INDO90.AGE10.EXTRACT)				f					
					indo91mat.sps							
Merged Data (portable files)												
1971, 1980 merged data			CH101C	*91 variables; 468,261 cases*			e					
			(\seafert\indonesia\data\merged\indo78.por)		imca.sps							
1971, 1980, 1990 merged data			(\seafert\indonesia\data\merged\indo789.por)		indo91per.sps							
					indo91mat.sps
